Summary

I am a hardworking, intelligent, and very efficient worker. I am an ambitious employee and have held paying jobs since the age of 11. I do well academically, my strong points being math and english. I have natural leadership abilities from my years as a starting quarterback. I work very well with other people as well as independently. I possess great organizational skills. I excel at personal budgeting and the wise use of expenses. I have worked on farms and done landscaping for 8 years and have worked in retail for 2.5 years. I currently help my boss manage a small package store with 5 employees. My responsibilities include overseeing deliveries, finances, and supervising fellow employees.
