

Profile of First County Bank:

A Local Community Bank in lower Fairfield County is looking for experienced Loan Originators. We offer a variety of Conforming, Jumbo, CHFA, FHA and Portfolio Loans. Local processing, Underwriting and Closing, this equates to a quick turnaround time.

Compensation:

Unique and Extremely attractive compensation packages.

Lending Territory:

We lend in the entire State of Connecticut.

Support Staff:

Our Executive and Senior Management staffs have extensive origination experience and understand the day-to-day needs of the Originator. Over the years we have built a team that includes some of the best and brightest mortgage staff professionals in the industry.

In large organizations, it can be difficult to obtain access to the needed support of the underwriter or processors, here at our organization they are available to answer any questions you have related to your potential or existing mortgage.

What we offer:

Open Territories.

Competitive rates.

Business leads.

Referral business from our Commercial lending department.

Technology Support:

Technology has become the cornerstone of our modern society. We have sifted through and packaged the best technology that is focused on you and your origination business.
