

Mortgage Underwriter Jobs – Freedom Mortgage – Greater Hartford Area

Freedom Mortgage Corporation, a full-service direct lender founded in 1990, has an excellent underwriter jobs opportunity for a dynamic professional to join one of the nation's leading mortgage companies as an Underwriter. With our energetic and creative staff along with cutting edge technology, we approve and process mortgages quickly and successfully without jeopardizing quality. We have cultivated a fun team environment where there is opportunity to grow your mortgage underwriter career reaping benefits both professionally and personally. The Underwriter role evaluates the entire credit package and collateral for residential mortgage loans and ultimately ensures an investment quality loan product.

Freedom Mortgage offers comprehensive benefit plans including health, dental, vision, prescription, disability, and life insurance. We also offer a 401(k) Plan with a company match. We are confident that our benefits package will provide you with the needed peace of mind for your health and financial goals. In addition, we offer a competitive salary and business casual environment.
