

Mortgage Originator

Washington Trust is the oldest community bank in the nation and one of the premier financial institutions in New England. We are experiencing continued growth in our Mortgage division and are poised for future success. For more than 200 years, New England homeowners have turned to Washington Trust for their financing needs.

We are seeking experienced, independent, and energetic Mortgage Originators for our Connecticut offices in Glastonbury and Darien. We offer our mortgage professionals a comprehensive product menu, an expansive portfolio lending program and rapid turn-around from a great Operations team, which truly differentiates us from the competition. Washington Trust Loan Officers also benefit from working alongside an expanding branch network and premier teams in our Commercial Lending and Wealth Management groups.

Requirements:

- Proficient mortgage industry knowledge
- Strong communication, networking, and analytical skills
- Experience in outside sales and proven sales ability
- Established referral network

Our employees enjoy a comprehensive benefits package, which includes health and welfare benefits, paid time-off, work-life program, and a 401(k) plan. We believe employees who are valued, recognized, rewarded and empowered, will achieve personal and professional growth. We hire the best people in the business and are always looking for professionals who will uphold our core values of Quality, Integrity and Community. Apply today and find out why we were voted one of the Best Places to Work in Rhode Island for the last four years!

We are a proud equal opportunity employer and committed to workplace diversity including protected veterans and individuals with disabilities.

Applicants may send their resume to recruiter@wasitrust.com or apply on our website's career page: www.wasitrust.com. We will also let you know when these opportunities have been filled.
