

Mortgage Originator

Savings Institute Bank and Trust has an immediate opening for an enthusiastic **Mortgage Originator** to originate mortgages in the **Groton, CT area**. The successful mortgage originator will be responsible for expanding existing and building new business relationships to promote the Bank's loan products.

The ideal candidate must possess:

- Wide-ranging referral sources to ensure thriving originations
- Have at least 5 years of successful mortgage sales experience, and knowledge of Conventional, FHA, RD, and VA mortgage programs.
- Highly motivated and display excellent communication skills.

Savings Institute Bank and Trust was established in 1842 and is a full service community – oriented financial institution, headquartered in Willimantic Connecticut with twenty four branches. The Bank offers a full menu of competitive mortgage programs including Portfolio, non-warrantable condo and in-house guidelines for non QM loans.

Benefits include: Base Pay plus Commission, 401K, paid vacations and holidays, health/dental insurance, tuition reimbursement and bonuses.
